WICHITA, SEDGWICK COUNTY, KANSAS, THURSDAY, FEBRUARY 12, 1874.

MURDOCK & BROTHER, PUBLISHERS AND PROPRIETORS. TWO DOLLARS PER YEAR, IN ADVANCE.

The RATES we have established for advertising will be strictly adhered to in every instance. They are as low as charged by amajority of the papers in the West, and as low as any paper formshed on a tirm and lesting basis, with a large circulation, will do business. We think distincts men can get value received by advertising with us. We ask no one to patronize us out of sharity, and do not want a man's money unless we give him value received. We could easily all our columns with foreign advertisements, immings, patent mendines, etc., at less than our regular rates. But we hope that we never will be conspelled to do so. Nothing speaks so well for a town and the enterprise of its citizens—its growth and properly—as the columns of the local paper well filled with home advertisements of home rade and business. We shall charge all alike, to reign and local, and shall not deviate from our established rates. No display type larger than free will be used in these columns, and in no case will cuts, or black and unseeraly illustrations be admitted into this paper. THE RATES we have established for adve-
